

## Cable clamp, metal KKM (MZ044)

### Characteristics:

- **Material** Steel, strip-galvanised
- **Installation** Wall or ceiling
- **Mounting hole**  $\varnothing$  6 mm
- **Lock** Bend lock for clamping

### Application:

For easy and quick installation of multiple cables to the ceiling or wall.

Due to the high dimensional stability even when exposed to heat, the cable clamp is perfect for use in false ceilings.

### Metallsammelhalter KKM
